

## DCV: Visualization Planning Sheet

Name:

What is your oceanography topic?

### R Work Assessment

In two or three sentences, assess your current level of understanding of, and the challenge presented by, the R work we've conducted in this class so far:

Based on the above, where on this continuum do you fall? (put a cross somewhere on the line)

---

#### Emerging

This is all very new to me, finding it all quite challenging

#### Proficient

It's been a manageable challenge, and I'm all set to apply what I've learnt

#### Advancing

I've found most of the work straightforward and looking for the next level of challenge

### Possible Data Sources

Data Source	Why is it relevant?	What kind of plot?

## Visualization Sketch 1

Task list

Things you feel  
confident about

Things you need will  
need to learn

## Visualization Sketch 2

Task list

Things you feel  
confident about

Things you need will  
need to learn
